GOVERNMENT OF INDIA
DEFENCE
LOK SABHA

UNSTARRED QUESTION NO:4588
ANSWERED ON:12.08.2016
Shortage of Raw Materials
Singh Shri Rakesh

Will the Minister of DEFENCE be pleased to state:

(a) whether the vehicle factory, Jabalpur is constantly facing shortage of raw materials for manufacturing military vehicles;

(b) if so, the details thereof; and

(c) the corrective measures taken by the Government in this regard?

Answer

MINISTER OF DEFENCE (SHRI MANOHAR PARRIKAR)

(a) There is no constant shortage of raw materials for manufacturing military vehicles at Vehicle Factory Jabalpur (VFJ). Materials are being received from suppliers regularly to the extent orders are placed. However, sometimes when the input materials get rejected due to quality problems, there are temporary bottlenecks in the production process which get recovered in due course.

(b) & (c): Do not arise in view of reply at (a) above.
